Dear Clarke:

Digging into some old papers I have had up here for my "Forty Years", I have just located an unbound reprint of the Elec Engr article, which I send along so you can have it handy. "at your service".

Of course historically, the earlier Eng. article is more interesting, but I have no reprint or original up here to refer to so as to verify the date. I judge it will be easy however, for the earliest

Vols of the "Electworld" were not
bulky as compared with those of
its later expansion.
